

TrainingMade—The Source for Corporate Learning

TrainingMade (TM) offers ready-made, restriction free business training content with over 50 training programs in 12 different training curriculum ready for instant download, and dozens of new programs being added each month!

Customizable and Restriction Free

TrainingMade offers its customers full permission to customize training content without copyright restrictions. Customers may modify content for their business or client's unique situation, including slides, exercises, case studies and examples. With TM training there's no restrictions or extra costs—train 10, 100 or 1,000+ employees. Customers are free to distribute and print as many participant guides and handouts as needed throughout the customer company with no additional costs.

Expert Training Without The Expert Price

All training content is developed by leaders and experts with a minimum of 15 years experience in each respective curriculum. All training content has been tested for effectiveness in the classroom to ensure our customers high quality results for their training investment.

Instantly Download Everything You Need to Deliver Training

TM leverages internet technology to give customers immediate access to training content. Every TM course includes:
